Actulum is the chair of a **thousand uses** that allows for **light movement** during any task you may perform at a table. **Comfortable and versatile**, it adapts to a variety of situations, from the workstation to the boardroom to the dining table. Rock forward or lean back, and the **curved glides** will respond with a **pendulum motion** that follows **your body's natural tilt**. The **thin, flexible backrest** accompanies and supports you in all sitting positions. Varier, a **Norwegian** company that has its historical roots in the Stokke company, designs and manufactures **high-quality ergonomic chairs** that encourage people to **move** even when they are seated. Varier ergonomic chairs are designed according to a **design that listens to our bodies**, supports them **by leaving them free**, and aims to **preserve the health of the person** and that of the environment. Varier is proud to belong to a culture that invests in ethical practices that help turn profits into value for future generations. All ergonomic chairs meet quality and ecological standards.
