Fawn is a chair with a **curvaceous, super-light line**, featuring a woven cotton seat. Each piece of Fawn is sanded to perfection, which gives it a **soft, flowing** feel. In addition to **tactility**, Fawn's central design themes are **lightness and transparency**. Made of solid oak, it has a rigid structure **without** the use of **screws**, bolts or other metal. Gazzda is a company specializing in the production of furniture and furnishings for bedroom and living areas. The drive for innovation and experimentation has led to the creation of elegant collections, characterized by **minimal furniture**, without superfluous ornamentation and **highly versatile**, as it can adapt to any type of environment. **Brightness, pleasantness to the touch** and **natural materials** are Gazzda's three core values and the tools through which it seeks the perfect **balance between function and design**.
