It doesn't matter how you mount it: as a free-standing, hanging element, or simply leaning against the wall in the mirrored version. **Haiku** will always make a good impression. Some clever features turn it into a **space-saving entryway** that can perform the **most important functions**. In the version with mirror, it can be equipped with a key holder element that runs vertically through the frame and can accommodate clothing and small items. For more space, the version with a natural wood panel can accommodate jackets, bags and more thanks to hooks placed on different lengths. All variants of **Haiku** can be equipped with a practical shelf for keys, sunglasses or other accessories. Upon request, indirect LED lighting is available that can create a fascinatingly rich setting. Team 7 furniture combines an **ecological philosophy** with a **contemporary lifestyle**. Team 7 makes only **eco-friendly furniture** designed in functionality and capable of combining innovative aesthetics with state-of-the-art technology. All of the brand's solutions are of **modern design** and in **harmony with nature**. The structures are made **of 100 percent natural wood**, which ensures high **stability** and maximum **strength**.
