The PI collection enhances **natural style** while maintaining **strength, curves** and **lines** as nature intended. Interesting shapes are revealed by this finish that is at once **elegant, refined, imperfect** and polished. Each PI table is **hand-finished** to ensure that the **individual character of the wood** is respected. Crafted by Alain van Havre.

For over twenty-five years, Ethnicraft has been making **furniture and decorative objects** of **timeless modern beauty**. The Belgium-based company firmly believes in creating high-quality **solid wood** furniture that will last for generations and resist trends. The wood used in production comes from **responsibly and carefully managed forests**. Ethnicraft's goal is to emphasize the **essence** of furniture, creating furnishings characterized by simple, **essential lines and a distinctly minimal style**.
