The highlight of the Valore hinged door closet from Team7 is a band between **two joints**, which can be made of **natural wood** with **horizontal grain** or **colored glass**.

In contrast to this band, the hinged doors are made of wood with **vertical grain** or colored glass.

The natural wood band in the Relief variant is particularly **lively and elegant**, thanks to the special milling transverse to the grain.

The possibility of combination with **colored, matte or glossy glass** fronts and **open elements** create a **contemporary and modern mix**.

Wide choice of **solid wood handles** in horizontal, vertical or trapezoidal format.

Alternatively, they can be supplied in **stainless steel**.

The cabinet body and interior are made of **beech plank wood** or the same essence as the doors.

Wooden doors are made with a three-layer panel while those with glass fronts are solid frame.

All surfaces are treated with **linseed oil and beeswax finish**.

Team7 furniture combines an **ecological philosophy** with a **contemporary lifestyle**.

Team7 makes only functional **eco-friendly furniture** that combines innovative aesthetics with state-of-the-art technology.

All of the brand's solutions have a **modern design** and are in **harmony with nature**. The structures are made **of 100% natural wood ensuring** high **stability** and maximum **strength**.
